

Award Announcement for Journal Publications by B.Tech/M.Tech. students of MNIT Jaipur

MNIT Jaipur aims to double the number of journal publications every consecutive year published by its students. In the effort to enhance the number of journal publications in reputed technical journals by B. Tech/ M.Tech. students, Technical Education Quality Improvement Programme-III plans to award all students who publish papers in SCI journals of engineering domains. The awards would consist of a cash award of Rs. 5000/- or above, depending upon the quality of journal publication.

For this award, all students whose papers are accepted in final (accepted on or after 1 April, 2018) can participate at any point of time of the year. Modalities for participating in this award scheme:

- Submit information in the link available at: https://docs.google.com/forms/d/e/1FAIpQLSd1WEMFDzMDhhiFLF8pXDGF4VGKtoiEAGlu0Af7P-UFORiL_Q/viewform?c=0&w=1
- Students can win awards for each of their accepted papers.
- Conference papers/conference papers converted into journal papers/paid journal papers are not eligible to apply.
- B.Tech./M.Tech. student has to be the first author of the paper.
- The student should have a valid Google Scholar Account, ORCID ID, Research Gate account, to be considered for this award.
- This is a perpetually rolling scheme, and information can be submitted at any time of the year.

You are encouraged to submit papers from email accounts with MNIT domain name, viz. 2017abc1234@mnit.ac.in. The awards would be given in an institutional ceremony, to be organized at regular interval.

For performing research at the institute, you can contact faculty members for advise (visit their home pages for their research domains), and can take them as mentors. In case you find any difficulty in this process, feel free to drop an email to teqip@mnit.ac.in.

Your research would help improve your CV, open up new avenues for your higher education at international universities, and provide you opportunities for employment at highly paid research oriented jobs.
