Recruitment of Research position under DST sponsored research project

Applications are invited for the position of **Project Fellow** to work in the “**DST-INSPIRE**” research project entitled “**Solar Redox Flow Battery: The Capture, Storage and Recovery of Renewable Solar Energy**” under the supervision of **Dr. Himmat Singh Kushwaha**, Materials Research Centre, MNIT Jaipur, Rajasthan. The position is purely temporary and co-termination with the completion of the project. Initial appointment will be for one year, which can be extended upto two more years based on candidate's performance.

Position: **One**

Name of the position: **Project Fellow**

Qualification:

1. Essential: M.Sc in Physics/Chemistry or M.Tech in Nanotechnology/Materials Science/Nanoscience or equivalent discipline with minimum 60 % marks or CGPA 6.75 (on 10 point scale)

Fellowship: Rupees 18000 pm

Duration: One year (Extendable up to two more year based on the performance)

HOW TO APPLY: Application can be submitted on plain paper (format: Name, Father's Name, Date of Birth, Age, Address of Communication, email ID, mobile no., NoC, qualifications from 10th onwards) with detailed CV, copies of degree(s)/certificate(s)/experience. The completely filled applications may be sent to the undersigned (principal investigator) preferably by e-mail on himmatsingh.mrc@mnit.ac.in latest by **31, July 2019**.

Candidates may also note the following points:

1. Selection committee of MNIT Jaipur reserves the right to fix suitable criteria for short- listing of eligible candidates.
2. Candidates will be short listed for the interview based on merit and experience of the available candidates. Decision of selection committee will be final. The date and time of interview will be informed by email only.
3. Please note that **no** TA/DA will be given to the candidates called for the interview.

For any further information / clarifications, the applicants may contact PI directly by email/phone.
