# Director's Message

Dear Students,

On behalf of Malaviya National Institute of Technology, I heartily congratulate you on your admission and welcome you to the institution!

MNIT Jaipur has been educating and nurturing young minds for over sixty years. We have endeavored to transform our students into responsible citizens and world-class leaders. Our students today work in leading positions in industry, academia, government, and other sectors. Our vision is to impart education of international standards to meet the current and future challenges of an uncertain and volatile environment. We strive for excellence through our mission of developing leadership qualities, an eye for growth and sensitivity to social development in our students. For this, we are committed to providing state-of-the-art infrastructure, excellent research and teaching environment, and a culture of support and collaboration; your journey here shall be the foundation of our long-lasting relationship. From the very beginning, we expect you to immerse yourself fully in the Institute's environment to utilize the opportunities coming your way. These include all academic and other activities, including sports, cultural and literary activities, and social and community service, to help you realize your true potential. In all this, we care truly and deeply for your health and well-being, and we shall strive to provide you with the best possible facilities for your wellness.

With these words, I welcome you once again. May you find your life's purpose while going through a heartening and exhilarating learning journey here!

**Prof. Narayana Prasad Padhy**  
Director, MNIT JAIPUR

# Dean Student Welfare's Message

Dear Students,

To begin with, our heartiest congratulations on your admission and we welcome you to the institution!

After days and nights of toiling, spending hours deliberating your choice, seeking feedback from friends, relatives and acquaintances and making the final decision - some of this or maybe more; you are set to begin your remarkable journey at Malaviya National Institute of Technology (MNIT) Jaipur. MNIT Jaipur is one of the oldest NITs in the country, with a legacy in education over 60 years. Spread over 300 acres with fantastic teaching, training, and research facilities, the Institute has 14 departments and six centres educating more than 5000 students. From now, you are part of the MNIT family, where everyone strives for excellence and integrity amid diversity and adversity. Our motto is योग: कर्मसु कौशलम् (Yoga Karmasu Kaushalam), the essence of which is that you must be deeply involved in your work without worrying about the externalities or outcomes to give a boost to your learning journey.

As you begin your journey, we express our heartfelt support in helping you make it enriching, professionally and personally, through our endeavors. Try to make the most of the facilities and the opportunities available! We also wish that your experience and stay are entirely safe.

Once again, congratulations to you and welcome. Fly high, and may you find your calling!

**Prof. Mahesh Kumar Jat**  
Dean, Student Welfare

# About MNIT

Established in 1963 as a joint venture of the Government of India and the Government of Rajasthan, Malaviya Regional Engineering College, Jaipur, started functioning with 30 students each in Electrical Engineering and Mechanical Engineering. The college shifted to its present campus in Jaipur in 1965. Spread over 125 hectares, the campus of MNIT enthralls and inspires. Indeed, all the states and union territories of the country are represented in the undergraduate intake of the Institute (50% from Rajasthan & 50% from all other states & union territories of India), thus making it a perfect example of the celebrated axiom, unity in diversity. The great educationist and visionary, Prof. V. C. Garde, its first Principal, molded its destiny with his characteristic élan, into a renowned Institute. The effort to maintain the high standard and committed approach of the Institute to the cause of technical excellence was recognized by the Ministry of Education (MoE) which granted it the status of National Institute of Technology on June 26, 2002. It is one of the 31 NITs established in different states of the country, fully funded by MoE, Government of India, New Delhi.

## **Vision**

To create a center for imparting technical education of international standards and conducting research at the cutting edge of technology to meet the current and future challenges of technological development.

## **Mission**

To create technical manpower for meeting the current and future demands of the industry. To recognize education and research in close interaction with the industry with emphasis on the development of leadership qualities in the young men and women entering the portals of the Institute with sensitivity to social development and eye for opportunities for growth in the international perspective.

## **Key Objective**

MNIT shall strive to impart knowledge in such a manner as to achieve total satisfaction of students, parents, employers, and society.

## **Campus**

Spread over an area of 125 hectares, campus presents a spectacle of harmony in modern architecture, natural beauty, and pictures. The campus area has been organized into three functional sectors:

1. Hostels for Students
2. Instructional & Administrative Buildings
3. Residential Sector for the Staff

Some of the major attractions and facilities for students inside the campus are as follows:

1. Prabha Bhawan
2. VLTC
3. Incubation Centre
4. Dispensary
5. Learning Resource Centre
6. Uday Chowk
7. Open Air Theatre

The Campus is projected on a map. Refer **Annexure - 1**.

## Vivekananda Lecture Theatre Complex (VLTC)

For teaching, the Vivekananda Lecture Theatre Complex is a fascinating piece of architecture inside the campus. It has 34,360 square meters covered area. The building is centrally air conditioned with 43 theatres with a seating capacity of 120 people and 6 theatres with a seating capacity of 240 people and smart classrooms equipped with solar panels on rooftop.

## MNIT Innovation And Incubation Centre (MIIC)

MNIT Innovation & Incubation centre is a Technology Business Incubator with a primary objective to provide a platform for Conceiving, Promoting & Nurturing knowledge based Innovation & Entrepreneurship amongst all the aspiring entrepreneurs. Various activities like startup Saturdays, MDPs, summer internship programs and investor meets are organized at regular intervals.

# Prabha Bhawan

Prabha Bhavan not only serves as a main building for administrative offices but also for auditoriums named Niti Sabhaghar and Mini Auditorium. It financializes residents through a home branch for SBI and ICICI bank along with facilitating students by a 24/7 operational Computer Centre along with a dedicated debating room known as Language lab.

## ICT

The new ICT Centre was established in 2014. It has been operating 24\*7\*365 and has become the most sought-after place for the students. The ICT Centre, a centralized facility of the Institute, caters to the computing needs of students, faculty, staff and researchers of all the academic departments.

## Dispensary

Primary Care Dispensary is available on campus. It is supervised by Medical Officers and two full-time nursing staff members. Also, services of a part-time Ayurvedic Doctor, a Homeopathy Doctor and a Gynecologist are available to students, staff and their family members. Medicines for routine ailments are provided free of charge. For more details please visit Institute's Intranet.

## Learning Resource Centre

The Learning Resource Centre of MNIT Jaipur is one of the oldest, most prosperous, and most well-known hybrid libraries. It has a mixed collection of print and electronic resources, including books, journals, databases, e-journals, reports, etc. holding about 167000+ books, 3500+ e-books, 32000+ e-journals, 3000+ theses & dissertations.

## Examination and Evaluation

Education at the Institute is organized around the credit system of study. The prominent features of the credit system is process of continuous evaluation of a student's performance, and a flexibility to allow a student to progress at an optimum pace suited to his/her ability or convenience subject to fulfilling minimum requirement for continuation. Each course has a certain number of credits, which describe its weightage. A student's performance is measured by the number of credits that he/she has completed satisfactorily. A minimum Grade Point Average is required to be maintained for satisfactory process. Also a minimum number of earned credits should be obtained in order to qualify for the degree. Every course is coordinated by a member of the teaching staff of the department, which offers the course in a given semester. For any difficulty a student is expected to approach the Course Coordinator for advice and clarification. For any specific queries, you may visit: <https://mnit.ac.in/academics/faq>

For any matter related to Academics, the students are advised to send email as given below. PLEASE DO NOT CALL, unless there is an emergency. The students are encouraged to send email before contacting the Academic Section in person.

# Sports

Physical Education & Sports in the institute is dedicated to the overall development of individuals' personalities through participation in sports and exercise. The facilities in the campus are the best among technical institutes in the country. More than 1000 students regularly participate in sports and conditioning activities. The institute has various sports facilities like:

1. Two Basketball courts
2. Three Volleyball courts
3. Four Table Tennis
4. Chess
5. Gymnasium area
6. Yoga
7. Two covered Badminton courts
8. One standard size billiards table
9. Playfield for Football, Cricket, Kabaddi

## Hostels

"Hostel!" A six-letter word. However, all the words in any language would fall short in describing the amazing experience it gives the students. The journey from "not willing to leave their homes" to "not willing to go back home" is the one for which every student will always be indebted to his/her educators. Everyone being from different cultural background, the students at MNIT not only have a great learning experience but the hostel life also makes it fun. Living in the serene campus, conceived by the genius architect Padma Shri, Shri A.P. Kanvinde, sprawling with trees and lush green lawns, keeps one connected to the nature, allowing them to possess the most treasured asset - peace of mind. Waking up to a breathtaking view of Aravali range, one is bound to look forward to their eventful day ahead. Over past many decades number of students residing in hostels has substantially increased. MNIT administration has also kept up pace in meeting technological and academic requirements. New hostel buildings are under construction mean time some flats of Acharya Bhawan are being used as temporary Girls Hostel which are numbered as H13, B14, H15 and H17.

As a standard practice in the Institute students are compulsorily required to stay with room / corridor mates from different branches and state of domicile. Hence, allotment is done randomly and changed annually.

### **Committee of Students for Hostel and Mess Management**

Institute through its hostel management follows the norms of nurturing leadership and community development ethics in its boarders. Every hostel and mess will have a Hostel and Mess Committee to manage respective hostel and mess. This includes organising hostel days, proposing improvement in infrastructure, formulate mess menu etc.

### **First point of Contact and Hierarchy of Communication**

All the hostels at the entrance / reception areas have signage's with details of officials including their phone numbers. These numbers are also available at the Institute website i.e. [www.mnit.ac.in](http://www.mnit.ac.in) Caretaker of the hostel is the first point of contact including odd hours followed by warden(s). In case of no-solution he/she can approach respective Associate Deans i.e. Associate Dean (Students) for hostel management, Associate Dean (Mess) for mess management and Associate Dean (Discipline) for indiscipline issues. It is advised to all the new boarders that the contact numbers of their roommates along with that of Care Taker(s) and Warden(s) be shared with their guardians / parents

### **Emergency Numbers**

All the hostels at the entrance / reception areas have signage's with details of emergency numbers like that of Security (9549891441, 9549891442), Ambulance (9549650438) and Electrician (9549650249) including their phone numbers. These numbers are available at the Institute website i.e. [www.mnit.ac.in](http://www.mnit.ac.in)

### **Information Regarding Maintenance Issues in Hostel Room**

Hostel management team ensures regular maintenance of all the hostel premises through the Estate Office. Boarders are just required to inform Hostel Care takers through a register kept at Care Taker Office in every hostel for any cleanliness / maintenance need. Estate Section has initiated an online maintenance management system called "**Service Management System (SMS)**" which can be accessed through the link <http://sms.mnit.ac.in> by logging in through LDAP User Id and Password to raise the maintenance complaint and know it's progress.
